STEP WRITE
 In CV/Gate Mode
 Pressing Note Keys enters pitch data and advances to the next step. Hold and Rest also advance to the next step. To enjoy 4/4 time, patterns should be stepped through to the end of the number keys (8/16/32 etc.) but any length is possible.
TAP MODE
 Press STORE During Playback
 To tap a pattern engage STORE during playback and play notes. CLOCK DIV per track will influence note quantize grid.
